FINANCE.

Cl. 114.—Advance Pay—Troops proceeding to or returning from India.

(Issued as a Special Army Circular on 2nd July, 1870.)

1. Advances of pay to regiments proceeding to India will, in future, be made direct by the India Office.

2. Paymasters will transmit to the War Office estimates of the sums required for the period of the passage only.

3. The estimates, after examination, will be transmitted by the War Office to the India Office, with a request that the amount may be issued to the paymaster.

4. These advances will be accounted for by the paymaster to the Local Government in India, the paymaster rendering to the War Office a pay list to the day preceding embarkation.

5. Advances in India to regiments returning to England, will be accounted for by the paymasters direct to the India Office, a pay list being rendered to the day preceding disembarkation.

6. Advances to drafts proceeding to India will be made by the paymaster of the regiment to which the depôt on the India establishment is attached; these payments, supported by a separate voucher, should be charged against the Secretary of State in Council of India (Quarterly Contingent Account) in the general state of the pay list.

7. Advances by the Government of India to detachments returning to this country will be accounted for to the War Office by the paymaster of the Discharge Depôt, Chichester.

8. Clause 11, Army Circulars, 1867 (so far as Regiments embarking from Ireland to India are concerned), and Clause 26, Army Circulars, 1867, are hereby cancelled.

Cl. 115.—Allowances to Officers Instructing the Militia.

1. Officers of the regular Army detached from their own regiments for the purpose of assisting in the drill and instruction of Militia during the training period, will be entitled to an allowance in aid of mess at the rate of 4*s.* a-day for each day they are not in receipt of personal allowance; also to lodging money at the authorized rates when not accommodated in quarters, and to travelling expenses. The officers will not, however, be required to pay mess subscriptions at the Militia regiment.

2. If authorized to be accompanied by a soldier servant, such servant will be entitled to travelling expenses and billet money if not provided with quarters.

ARMY CIRCULARS—*continued.*

Cl. 116.—Subsistence for Prison Warders on Escort Duty.

1. Warders engaged on escort duty will, when collecting military prisoners and conveying them to Millbank Prison, receive subsistence in accordance with the following scale:—

For breakfast ...	...	1*s.*
„ dinner ...	...	2*s.*
„ supper ...	...	1*s.*
„ bed ...	...	2*s.*
Daily ...	...	6*s.*

2. The issue of these allowances will be regulated by the hours of the warder's departure and return, as follows: on quitting his station before 8 a.m. he will be entitled to the allowance for breakfast; on quitting before 1 p.m. to the allowance for dinner; and on quitting before 6 p.m. to the allowance for supper. The same rule will apply when the warder returns from escort duty; that is to say, he will receive 4*s.* if he do not return to his station until after 6 p.m., 3*s.* if he arrive between 1 and 6, and 1*s.* if he arrive before 1 o'clock.

3. The day and hour of departure, and the day and hour of return to his original station, will be inserted in the route given to the warder, and the issue of the allowances will be regulated accordingly. The cost will be charged in the accounts of the central paymaster, or of the district paymaster.

Cl. 117.—Outfit Allowance.

1. A non-commissioned officer granted a commission without purchase, will be allowed in aid of his outfit,—

If appointed to the horse brigade of the Royal Artillery, or to a regiment of Cavalry	£130
If appointed to a field or garrison brigade, or to the coast brigade of the Royal Artillery, or if commissioned as a riding master, whether for service with horse or field brigades, Royal Artillery	£100
If appointed to the Royal Engineers, to a regiment of Infantry, or to the Control Department	

2. The allowance may be charged in the regimental accounts without previous reference to the War Office. The charge will be supported by a certificate from the officer commanding the regiment or corps, that the officer promoted has provided himself with the necessary outfit, and has paid for the same.

3. Pars. 1 and 2 of War Office Circular 1047 (old series) and Circular 629, of 10th September, 1860, are cancelled.

Cl. 118.—Soldiers' Wills.

1. Commanding officers will impress upon every soldier the advantages of making his will according to the forms printed in the Appendix, and the necessity of retaining the will when made, either folded in the pocket ledger, or in the form prepared in the pocket ledger for the purpose.

2. It will be pointed out that, while the bequests in the will may be varied according to the circumstances and wishes of each soldier, the form of attestation, and the general outline of the will, are to be carefully preserved.

3. The particulars of the next of kin should always be carefully inserted in the soldier's pocket ledger in the proper form, but it should be notified that the entry of the particulars of next of kin does not relieve the soldier from the necessity of making a will. The entry in question has no legal effect, and, unless a soldier duly makes a will, his estate is dealt with as if he had died intestate, and the person intended to be benefited may receive little or no share in the distribution.

4. That portion of the pocket ledger which contains the particulars of his next of kin should be carefully read over to the soldier soon after the 1st January in each year, and every variation which to his knowledge has occurred in the particulars therein entered should be accurately noted in the book by the pay serjeant of his company, and the officer commanding the regiment should report if this revision has been completed in the monthly return of the 1st February.

5. Care should be taken, on the death of a soldier, whether the non-effective account is in credit or not, to transmit the pocket ledger to the War Office, together with the other documents or papers connected with the estate of the deceased.

6. Should a soldier have left a will, but not on the forms provided for the purpose in the pocket ledger, the document should be transmitted in a separate cover, addressed to

ARMY CIRCULARS—*continued.*

the Under Secretary of State for War, the words "Soldier's Will" being written in the left hand corner of the envelope.

7. The will must be in writing, and signed by the testator with his name, or, if he cannot write, with his mark, in the presence of two witnesses, who must be present together; and the will must be made, acknowledged, and attested in the presence of all three.

8. A person to whom money, &c., is left by the will should not be an attesting witness, for the gift would not be good.

9. A will is revoked by the marriage of the testator, and therefore a new will ought to be made after marriage, if desired.

10. If any alteration is made in the writing of a will, the signature of the testator and of the witnesses ought to be made in the margin or other part of the will, opposite to or near such alteration, or at the foot or end of, or opposite to, a memorandum referring to such alteration, and written at the end or some other part of the will.

11. But an alteration or addition may be made by a *Codicil* (that is to say, by an addition to the will), executed and witnessed in the same way as the will.

12. When engaged in actual warfare a soldier would do well (where circumstances do not allow of these forms being used) to record his will in writing, or declare the same orally in the presence of witnesses.

13. War Office Circulars 1147 (old series), 839 and 986 are hereby cancelled.

Cl. 119.—Change of Name.

1. The name in which a soldier enlists and is attested cannot be erased from his attestation, nor from the regimental register.

2. Should a soldier who has enlisted and been attested under an assumed name require his true name to be added as an *alias* to regimental records and other documents, he must at his own expense make a statutory declaration before a magistrate according to the following form:—

I ——— do declare that I enlisted on the ——— under the name of ——— which name I now declare to have been incorrect. The name of ——— contained in the accompanying baptismal certificate I now declare to be my rightful name.

Signature of soldier ———.

Declared before me at ——— this ——— day of ——— in the year of our Lord one thousand eight hundred and ———.

Signature of magistrate ———.

3. The original declaration will be annexed as a voucher for the first entry of the *alias* in regimental pay lists and muster rolls, and a certified copy of the same will be appended to the attestation and register sheet. In all succeeding pay lists, muster rolls, and documents, the true name only should be stated.

4. The permission of the Secretary of State for War, hitherto required to enable a soldier to use his true name, will no longer be necessary.

CONTROL DEPARTMENT.

Cl. 120.—Issues of Fuel and Light at Home.

1. The following rules for the issue of fuel and light for Army services at home will take effect from 1st September, 1870.

2. In lieu of issues for warming purposes according to the number of grates, issues will be made of a specified number of daily rations for each class of officers and non-commissioned officers, and for every twelve men, for all arms of the service.

3. The allowance for cooking will be separate from that of warming, and will also be issued by rations, according to the number of men and the description of apparatus in use.

4. Light will also be issued by daily rations.

5. The schedule (see Appendix), which has been drawn up on the foregoing principles, will be adhered to by all concerned.

6. In calculating fuel and light for soldiers' rooms and fuel for soldiers' cooking, the actual strength of the corps will be taken, including sick in hospital, soldiers confined in barrack cells, absent with or without leave, detached on escort duty, or on any temporary command, provided such absence shall not exceed fourteen days; but deducting detachments, recruiting parties, men in district prison, and all non-commissioned officers and men receiving a separate allowance of fuel and light.

7. The coal mentioned in the schedule is sea-borne coal. 100 lb. of inland coal, 80 lb. of coke, or one kish of turf of 20 cubic feet, are to be considered equivalent quantities to 80 lb. sea-borne coal.

ARMY CIRCULARS—*continued.*

8. Fuel for warming cells and for cooking the meals of prisoners will be issued at special rates to be fixed in each case, daily instead of weekly, and only when the cells are occupied.

9. Fuel for a harness-room will only be issued when certified by the officer commanding to be absolutely necessary for preventing mildew.

10. Fuel and light authorized for guard-rooms will be issued daily.

11. Fuel and light will not be drawn by officers who are in receipt of lodging or furniture allowance.

12. When inland coal is used, the monthly fuel returns, according to W. O. Forms 1416, 1417 and 942, will be made out in detail, according to the scale of sea-borne coal fixed for the several services, and one-fourth added to the total to give the amount of inland coal to be issued.

13. The dates of authorities for all special issues will be invariably inserted in the margin of the monthly fuel returns.

14. Issues to guards upon wet days during the summer months may be made on requisitions to be signed in garrison by the general officer commanding, or a garrison staff officer, or by the field officer of the day, if there be no responsible staff officer of the station, or by the officer commanding where there is no field officer of the day. These requisitions will be attached to the monthly fuel returns.

15. Upon other days in summer no issue will be made except in the case of cooking being done on guard, at the rate given in the scale.

16. General officers and officers commanding garrisons, regiments or battalions, when there is no general or other superior officer at the station, may authorize the issue of 10 lb. of coal a-day for each guard-room grate in permanent barracks, in addition to the issues sanctioned in the enclosed scale, and may also authorize one-third fuel in addition to the quantity fixed for warming the rooms of officers and men, and orderly-rooms, guards, and staff offices, in wooden barracks or wooden huts whenever the weather in winter is so unusually severe as to render such issues necessary for the health of the troops. The Controller will make such extra issues on requisitions signed as directed in paragraph 14.

17. The Control officer who issues the extra fuel will each week, or sooner if necessary, submit to the officer commanding whether, having regard to the cost of the issues, to the weather, and to all other circumstances, the extra issues should be discontinued or not, the date of discontinuance being reported to the Controller-in-Chief.

18. It is to be distinctly understood that no further issues of fuel will be made without the special authority of the Secretary of State; and any officer making further issues will be held personally liable.

19. When regimental recreation-rooms are kept open after tattoo, under paragraph 1080 of the Queen's Regulations, one-sixth more fuel than that given in the scale may be issued on the requisition of the officer commanding the regiment or corps. No fuel will be issued for the bar, as any expenditure required for it must be covered by the prices of the articles sold.

20. For officers' messes, fuel will only be drawn for regular regimental dining members, and not for non-resident or honorary members, nor for staff or departmental officers, even when regular dining members of a mess. Regimental officers, regular dining members of their mess, who, from want of barrack accommodation, are compelled to live out of barracks, may be included in the number for whom mess allowance of fuel is drawn, also staff surgeons and staff assistant surgeons doing duty with and attached to a depôt battalion, a regiment of Cavalry or Infantry, a brigade or detachment of Artillery.

21. Issues will be made according to the substantive rank of officers.

22. Staff surgeons, in medical charge of a depôt battalion, being entitled to be members of the mess, will only be allowed regimental issues of fuel and light, and not the staff rates.

23. Unmarried schoolmasters mess with the serjeants of their regiment, battalion, or corps.

24. Regimental librarians are only entitled to the allowances provided for their regimental rank, and not to the librarian's allowance mentioned in the enclosed scale, which is only intended for pensioner garrison librarians at the stations named in W. O. Circular 798.

25. For provost serjeant, garrison acting provost serjeant, or regimental provost serjeant, no allowances of fuel and light will be specially drawn unless a War Office authority for their appointment be quoted in the column of remarks.

26. Fuel for warming prisoners' cells will be issued during the months of April, May, September, and October, in only half the quantity which may have been authorized for

ARMY CIRCULARS—*continued.*

the winter months, and none will be issued during the months of June, July, and August, unless specially sanctioned by War Office authority. The number of prisoners for whom fuel for cooking is required will be shown on the monthly return.

27. The above rule limiting the issues in intermediate months to one-half of those sanctioned for the winter, applies to all allowances of fuel specially authorized for warming.

28. Military, Royal Engineer, and Control offices will be supplied will fuel and light by the Controller for any reasonable period at one issue, according to the annexed scale; but in no case will issues be made from the coal yards or stores when the offices are outside the precincts of a barrack. When offices out of barracks are within reach of the contractors, they will be supplied (if the supply in kind be authorized) by the contractors direct, on the Controller's orders; but when the distance is too great the commuted allowance in lieu will be drawn at the discretion of the Controller.

29. Issues to survey offices, or to survey parties accommodated in barracks or buildings in a Controller's charge, will be reported in quarterly statements, showing the quantities issued and the value, in order that the amount may be charged to the vote for surveys taken in the annual estimates.

30. Coal, &c. for Royal Engineer workshops, will be purchased in the same manner as other supplies provided for in the Royal Engineer vote; but if at any time coal, &c. should be supplied by a Controller, the issues and the value should be reported, in order that the amount may be made chargeable to the proper vote.

31. Fuel for hospital wards may be issued from June to August, on the certificate of the medical officer that the same is indispensably necessary. The charge for any fuel supplied to the Militia, with the value thereof, will continue to be reported by Controllers as at present.

32. Issues of fuel and light to military prisons and lock hospitals are chargeable to the vote for Control services, and will be made by Controllers on the quarterly demands of the governors and superintendents, in accordance with scales specially authorized by War Office.

LIGHT.

33. Stearine candles will be issued to commissioned officers, first class schoolmasters, offices, orderly-rooms and surgeries; dip candles to all other ranks and offices.

34. Gas, when laid on to barracks and military buildings, will be supplied under the rules laid down in W. O. Circular 573, and Clause 79, Army Circulars, 1870.

35. When regimental recreation rooms are supplied with gas, the maximum quantity may be at the rate of 5 cubic feet of gas per hour for each 1,000 cubic feet of content of room.

36. Gas for such rooms may be kept turned on after tattoo, when kept open under paragraph 1080 of Queen's Regulations, on requisition of the commanding officer.

37. When moderator lamps are used the maximum number supplied will be 1 for each 1,000 cubic feet of content of room. The allowance of oil must not exceed 2 ounces per hour per moderator lamp during the hours that the rooms are kept open after dusk.

38. Candles for tailors' shops will be issued only on the certificate of the officer commanding, that they are required for making up the annual clothing, and when, on account of the number of recruits joining, similar issues to depôt battalions are found necessary, special applications must be made through the Controller.

39. When gas is laid on to tailors' shops the troops will be charged for the quantity consumed, less the value of the candles that would have been issued had there been no gas.

40. Candles during winter months, for offices or infant schools, are only to be issued on the commanding officer's certificate affixed to the monthly fuel return, that the issue is absolutely necessary.

41. Gas, as a rule, is not laid on to officers' quarters; but when rooms supplied with gas are appropriated as quarters, officers will be charged for the gas consumed, but they will be permitted to draw the commuted allowance for candles allowed for their rank, viz., 1*s.* a-week per room—W. O. F. 1370.

42. The rates of commuted allowance for fuel and light will remain unchanged for the present.

43. All applications for new or increased allowances of fuel or light, or reports of issues not sanctioned by regulations, will be made on W. O. Form 1434, and be accompanied by any observations which the general or commanding officer may desire to offer, which the Control officer will at once forward, for the consideration of the Secretary of State, with any remarks of his own upon the subject. When boards of officers are assembled, the evidence taken by them, and their finding, should also accompany the application.

ARMY CIRCULARS—*continued.*

44. W. O. Circulars 668, 796, 811, 813, and 851; also Army Circulars, 1867, Clause 34, and 1868, Clauses 51 and 114, are cancelled; together with W. O. Circular 767, except as relates to straw and brooms; 846, the last eight paragraphs on page 8; and 873, except last two paragraphs relating to blankets.

Cl. 121.—Special Service for the West Coast of Africa.

1. With reference to Article 70 of the Royal Warrant of 12th November, 1868 (Clause 1, Army Circulars, 1870), it is notified that officers of the special service for the West Coast of Africa who, having completed a continuous tour of service of 18 months remain over that period on the Coast, will be allowed to reckon the extra service in the same way that they reckoned the 18 months; that is to say, 24 months' continuous service will entitle them to 8 months' leave, and the 32 months will be reckoned as 48 months' service, and so on in proportion.

2. Any period of absence from the Coast, before a period of 18 months' continuous service thereon shall have been completed, will only reckon as ordinary service, and 18 months' actual service on the Coast must be given before an officer becomes entitled to the indulgences granted by Articles 70 and 71 of the Royal Warrant above referred to.

Cl. 122.—Bass Brooms.

The maximum number of bass brooms to be issued annually for every eight horses of Cavalry and Artillery occupying stables has been increased from six, the number fixed by Clause 18, Army Circulars, 1870, to 12.

Cl. 123.—Transmission of Store Ledgers.

1. The store ledgers of Commissaries in charge of stores, including accounts of barrack and hospital stores and commissariat implements, will, from 1st April, 1870, be rendered in the following manner:—

2. The reserve store ledgers at Woolwich and the Tower will be balanced and rendered quarterly as at present.

3. The reserve store ledgers at Portsmouth, Devonport, Chatham and Dublin will be balanced half-yearly on 30th of September and 31st March. The station ledgers will be transmitted to the War Office for examination, on notice being sent to the Controller, and will be returned to the stations after having been examined.

4. The reserve store ledgers at Malta and Gibraltar will be balanced half-yearly on 30th September and 31st March, and transcripts thereof will be forwarded for examination as heretofore.

5. The ledgers at all other stations at home and abroad will be rendered annually on 31st March, but they will be regularly balanced half-yearly on 30th September, and the remain will be shown at that date, as well as on 31st March.

Cl. 124.—Clothing for Boats' Crews.

1. The special clothing sanctioned for boats' crews, viz.:—Serge frock, cloth trousers, and oil skin hat, will be required to last at least one year, but if the garments are serviceable they will be continued in wear for a further period.

2. When the articles are unserviceable, after having been twelve months in wear, they will be brought before a Board of Survey, and condemned in the usual manner. A copy of the report of the Board of Survey should accompany the demand for new garments to replace those that are unserviceable.

Cl. 125.—Clothing Troops going to India by the Cape.

1. Troops proceeding to India *viâ* the Cape of Good Hope, will in future be supplied prior to embarkation with an American drill suit and white forage cap-cover for each man, as a free issue from the Indian Government.

2. Requisitions for these articles will be addressed to the Director of Clothing by officers commanding corps from which the drafts, &c. are to proceed.

Cl. 126.—Carriage of Clothing and Necessaries.

All clothing and necessaries forwarded from stations at home to the Royal Army Clothing Depôt, Grosvenor Road, S. W., will be sent through the contractors for the carriage of clothing and necessaries. Messrs. Chaplin and Horne, Golden Cross, Charing Cross, are the contractors for Great Britain, and Messrs. Fishbourne and Co., Bachelor's Walk, Dublin, for Ireland.

ROYAL ENGINEER DEPARTMENT.

Cl. 127.—Stores supplied by Control Department.

The following rules will be observed in making provision for articles of store for Works and other Engineer services carried out by the Royal Engineer Department:—

1. Prior to the compilation of the annual demand of the Control Department, the

ARMY CIRCULARS—*continued.*

Controller will apply to the commanding Royal Engineer for a list of all articles of general store included in priced vocabulary, Royal Arsenal, which will be required for works and other Engineer services proposed to be carried out during the year for which the demand is made.

2. The commanding Royal Engineer will also include in the list all materials required for the drawing-room, which are not included in W. O. Form 1506.

3. The Controller will include the stores detailed in the list received from the commanding Royal Engineer, in the annual store demand, W. O. Form 1454.

4. It is to be distinctly understood that the stores to be provided by the Control Department for the Engineer works and services are such as are common to all branches of the service, and not such as are special to building purposes. Timber will only be provided for at stations where reserves of that material are at present maintained.

5. The commanding Royal Engineer will transmit, with the annual estimates for works and buildings, as at present, demands in duplicate, W. O. Form 1557, for all articles of store which may be required, including those on the list furnished to the Controller.

6. Astronomical, surveying, levelling, and drawing instruments will still be demanded on W. O. Form 178.

INSPECTORS OF WARLIKE STORES.

Cl. 128.

1. Inspectors and Assistant Inspectors of warlike stores will be appointed according to the provisions of the Royal Warrant of 1866, Part 1, Pay (Articles 166 and 167).

2. Forage allowance for one horse will be issued to Inspectors only, unless specially authorized.

3. Previously to appointment these officers will have to pass through a course of instruction in the manufacturing departments, and receive a certificate of competency from the respective superintendents.

4. The duties of the Inspectors and Assistant Inspectors of warlike stores will be as follows:—

They will conduct the laboratory duties of the station, and all proofs of powder, make up cartridges, and re-make or repair all laboratory stores of a perishable nature, as required from time to time, either for the officer commanding the Royal Artillery, or for the Controller, as the case may be.

5. They will assist the officer commanding the Royal Artillery in his inspections of the standing armaments, and will carefully examine the guns, carriages and platforms, and will also minutely inspect all cartridges, tubes, fuzes, and other laboratory stores in the various magazines, and their reports on these subjects will be addressed to the officer commanding the Royal Artillery, who will transmit them home, with his own, to the Director of Artillery and Stores at the War Office. They will also make all examinations of ordnance in accordance with the regulations.

6. The inspectors and assistant inspectors of warlike stores will, from time to time, on the requisition of the Controller addressed to the commanding officer of Artillery, conduct all proofs of powder in charge of the Control Department, will superintend the examination of munitions of war, make up cartridges, and re-make or repair all minor laboratory stores required for issue by the Control Department as naval or other supplies. Their reports on these subjects will be made to the Controller, who will take such action on them as may be required, transmitting them to the War Office if necessary.

7. The inspectors and assistant inspectors of warlike stores will accompany the officer commanding the Royal Artillery in his half-yearly inspection of the munitions of war in reserve in charge of the Control Department.

8. The only articles to remain in the permanent charge of these officers are implements for use, and such few materials as may be necessary for departmental purposes, which should be demanded through the Control Department.

9. In order that full and accurate knowledge of the peculiarities of warlike stores may be available for the information of the controllers, inspectors, and other officers concerned, patterns or lithograph drawings of all new or altered munitions of war, with descriptions of their natures and the services to which they can be applied, will be sent to each station, and will be kept in charge of the Control Department, properly arranged for inspection, with an alphabetical list thereof, showing the dates of approval and when received, together with such other explanatory information as may be necessary. This will not affect the arrangement under which certain instruments, models, specimens, &c., are issued to the Royal Artillery, for use by gunnery instructors, and held in regimental charge.

10. The inspectors and assistant inspectors of warlike stores, being Artillery officers,

are under the orders of the officer commanding the Royal Artillery at the station, and any duties which they may perform for the Controller are to be considered occasional and temporary, and with the object that dangerous combustible stores may be examined and made up under competent Artillery superintendence.

11. The previous regulations for the duties of inspectors of warlike stores, contained in W. O. Circular No. 498, of 7th November, 1859, are hereby cancelled.

ARTIFICERS IN BATTERIES OF GARRISON ARTILLERY.

Cl. 129.

1. In order to obviate as much as possible the necessity of employing civil artificers on occasions of active service, each battery of garrison Artillery will have at all times attached to it two soldier artificers, as wheeler and smith.

2. These men will be mustered and paid as gunners, and will form part of the established number of that rank, and are to be distinguished by the badges worn by the wheelers and smiths of the Field Artillery. When actually employed in the public works they will receive working pay according to the provisions of the Royal Warrant of 4th June, 1870 (Articles 15 and 16), and the Secretary of State's instructions thereupon; those belonging to batteries at Woolwich will be employed in the Royal Arsenal, and those at out-stations at home and abroad under the orders of the Controller on requisition to the officer commanding Royal Artillery, in repairing gun carriages, platforms, &c., in conjunction with the civilian artificers.

3. The men are to be supplied with tools from the public store.

4. War Office Circulars No. 88, dated the 9th of April, 1857, and Circular No. 772, dated 9th July, 1862, are hereby cancelled.

VENTILATION OF MAGAZINES.

Cl. 130.

1. Filled cannon cartridges having been recently destroyed by mildew in a magazine which had been reported free from damp, the Secretary of State for War directs that particular attention may in future be paid to the ventilation of all magazines.

2. A memorandum, explanatory of the principles under which the ventilation of magazines should be regulated, is forwarded for the information and guidance of officers in principal charge of magazines.

3. Local instructions, based on these principles, will be prepared for the guidance of the subordinates in immediate charge of the buildings. Copies of these instructions will, in each case, be forwarded to this office.

4. The following regulation contained in paragraph 4 of the enclosure to War Office Circular No. 498, dated 7th November, 1859, is now extended to home stations:—

"In order to secure the best mutual intelligence between departments which in some respects are dependent on one another, and a knowledge of each other's wants and resources, it is desirable that the officer commanding the Royal Artillery, the commanding Royal Engineer, and the Military Storekeeper, should, once a-year, or oftener if necessary, make a conjoint inspection of the works, magazines, stores, workshops, &c. of all their departments, not as a board or with any view to a joint report, but that neither should have any excuse for not being personally acquainted with anything that the interest of the service requires him to know in the department of the other, and for the opportunity that would thus be afforded to each of calling attention on the spot to requirements which it may be the departmental duty of the others to know."

5. Minutes recording these inspections, and any departmental action taken in consequence thereof, will be entered in books to be kept for that purpose by the officer commanding Royal Artillery, the commanding Royal Engineer, and the Controller respectively. The senior inspecting officer will report to the general officer commanding, previous to his making his annual inspection report, that such inspections have been made, stating the dates thereof and also the names of the officers attending.

POSTAGE OF ACCOUNTS FROM FOREIGN STATION.

Cl. 131.

1. It is hereby notified with reference to clause 11, Army Circulars, 1869, that charges for the postage of regimental accounts from Foreign Stations will be admitted in the regimental pay lists under the item Regimental Postage and Stationery (E, Regimental Allowances, Vote 1).

2. Control paymasters will charge such expenditure for departmental and staff purposes under Contingencies of the Control Department (B, Vote 9).

GEN. ORDERS—*continued.*

VI. In addition to the *garrison instructors*, an officer with the pay and allowances of an Assistant Quarter Master General will be appointed at Aldershot, to superintend the local instruction, and supervise the whole system for the Army, subject to the orders of the Director General of Military Education.

VII. The *special examination* will be conducted partly by sealed printed questions, sent from the Director General of Military Education, and partly orally and practically upon the ground, by a board of examination. This board will consist of a field officer, the commanding engineer (or an officer deputed by him, and not under the rank of captain) and a *garrison instructor*.

The printed questions shall invariably be answered in the presence of a member of the board, and be returned with the answers, and with a written report of the oral and practical examination, to the Director General of Military Education, with whom shall rest finally the grant of a certificate of competency.

VIII. The *garrison instructors* will also give instruction in military history and military administration to officers who wish to qualify for the staff.

IX. All the details as to the formation of the classes, the hours of study, the number of students and the attendances, should be arranged at each station, by the general or other officer in command, in concert with the Garrison Instructor.

X. Monthly returns of officers attending the classes will be sent to the Director General of Military Education (through the officer commanding the garrison), according to a form to be furnished by that officer.

XI. Officers attending a class will have to provide their own:—drawing materials; paper and pens; sketching case or block; small case of instruments; scales of shade.

XII. The following articles will be issued on application to the Local Controller, for the use of the *garrison instructors*:—drawing paper; Indian ink; colours; 2 pocket sextants; 6 prismatic compasses; 6 card board protractors; 6 pocket levels; 6 clinometers; 2 rulers (parallel); 1 fifty-foot chain; 2 fifty-foot tapes; pencils, pens, ink; 6 plaster models of ground; contoured plans of ground; 6 sets of examples in hill shading; 6 scales of shade; 6 conventional signs; treatise on field fortification (when ready); treatise on reconnaissance; "Simmons" on courts martial; 1 black board; materials for fascines, gabions and bridges, ropes, tools, timber, and other requisite materials.

XIII. The cases of officers, who may not have an opportunity of attending a course of instruction in a garrison, are to be referred for special consideration.

G.O. 66.—Inspections of Cavalry.

(Specially issued 25th July, 1870.)

The Cavalry inspections in England will in future be made twice in each year—in the autumn by the general officer of cavalry stationed at Aldershot, and in the spring by general officers commanding districts, each making the full half-yearly report.

The Cavalry at Aldershot will be inspected by the general officer of Cavalry stationed there, and he will endeavour to make his inspections in such manner as to see upon two occasions as many as possible of such regiments with their attached depôts as are there for the drill season only.

The Cavalry inspections in Ireland will be conducted as hitherto, half-yearly, by the brigadier-general of Cavalry stationed in Dublin, who will make his half-yearly confidential reports in the ordinary manner.

The generals commanding districts in Ireland are not required to inspect half-yearly the Cavalry in their districts, but may do so occasionally, at their discretion, without sending in any formal reports.

G. O. 32 of 1870 is hereby cancelled.

G.O. 67.—Military Districts.

(Specially issued 25th July, 1870.)

The Queen has been pleased to approve of Coalhouse Fort, in the county of Essex, being transferred from the Eastern to the South Eastern District.

G.O. 68.—Marching of Troops.

(Specially issued 26th July, 1870.)

I. The attention of the Field Marshal Commanding in Chief has been seriously attracted, by recent circumstances, to the subject of the moving of troops by march route.

Digitized by Google

GEN. ORDERS—*continued.*

II. The general principles on which all marches should be conducted are laid down in detail in section 21 of the "Queen's Regulations and Orders for the Army," and sections 3 to 9, part 7, of the "Field Exercise and Evolutions of Infantry." These regulations, based upon the orders of the light division in the Peninsula, have borne the test of long experience, and if fully acted up to, when it is possible to do so, afford reliable security for the efficient and satisfactory performance of one of the most important duties of an army.

III. It is not expedient that any rules should be so rigidly laid down that the exercise of a just discretion should not be left to the commanding officer. The exigencies of the military service, and the ever-varying circumstances attending it, demand that such discretion should be placed in the responsible officer; but such officer must be prepared to justify his acts and to show that, when departing from general instructions, he has either been compelled to do so by force of circumstances, or that he has done so for some obvious advantage to the service.

His Royal Highness fully concedes this discretion to officers in command, but, on the other hand, will exact the responsibility which it implies.

IV. Of the rules laid down one of the most important and unvarying is that all marches should commence as early in the morning as practicable.

As a rule, troops should move at day-break, or, in sultry weather, even before day-break. The march need not then be hurried, the proper halts may be observed, and the heat of the day avoided. A halt on the road for breakfast will still admit of the march being completed in time to afford the men leisure for rest and dinner, and to enable them to clean their persons, arms and accoutrements before the evening parade. The officers also have time personally to visit the billets of their men, a duty which should never be neglected.

These obvious advantages are lost by late marching, but there may still arise frequently in war, occasionally in peace, circumstances to justify it, and wherein the discretion of the commanding officer must be used.

V. The modern practice of moving troops by rail has no doubt tended to render both officers and men unaccustomed to the duties required of them on lengthened marches of some days' duration.

VI. To obviate this disadvantage, general officers commanding districts or divisions, will take measures to render the route marches in the winter season thoroughly effective as practice to both officers and men in this important duty. These parades should take place twice a week, be conducted strictly according to the regulations, and the distances marched should be such as to habituate the men to carry their packs through an ordinary day's march without falling out or undue fatigue.

VII. The greatest attention should also be paid by commanding officers and captains of companies, to the state and proper fitting of the men's boots. The practice, common to soldiers, of having the boots issued to them re-made with high heels, is no doubt a fertile cause of sore feet and falling out of the ranks, when on the line of march, and should be put a stop to.

G.O. 69.—Arms.

As the constant repetition of the loading motions in the position and other drills very much increases the wear and tear of the breech actions of the Snider rifles, commanding officers are informed that, after the first round, the loading motions should in all such drills be discontinued with trained soldiers.

Moreover, it is found that the proper action of the trigger and lock is apt to be impeded by an accumulation of brick-dust and pipe-clay used by the soldier in cleaning his arms and accoutrements, and, to prevent this, armourer serjeants should be required periodically to *thoroughly strip* and clean the rifles in possession of corps.

G.O. 70.—Ammunition.

Waggons conveying gunpowder should not move at a more rapid pace than a walk, unless specially ordered. Cavalry escorts must conform to the pace at which the transport carriages are proceeding.

G. O. 71.—Musketry.

The mounted target practice in the Cavalry is to be conducted as follows, viz.:—

I. The men are to fire both to the left and to the front.

II. A manège is to be marked out at the proper distance from the target, and the men are to file round to the right, keeping a horse's length distance from head to croup. Each horse is to be halted for a moment, when opposite the target—the man firing, and

GEN. ORDERS—*continued.*

walking on a horse's length, when he is to pause until the next man has fired—the object being to prevent the horse hurrying on after those in front.

III. For every third round, the order is to be given "down the centre," on which the men will lead straight towards the target, and fire to the "*front*," turning their horses' heads to the right, according to order.

G. O. 72.—Schools.

I. The Director General of Military Education having represented that great inconvenience is experienced in marking the progress of the staff and non-regimental children who attend regimental schools, on account of their being registered with the regimental children, separate registers are in future to be kept, at all head-quarter stations, for the non-regimental children attending school.

II. This order is not to apply to the Royal Horse Artillery and Depôt Brigade, Royal Artillery, Woolwich, nor to the Royal Engineers at Chatham.

G. O. 73.—Schools.

As the death of Mr. Vicars, Assistant Inspector of Army Schools in Ireland, furnishes the opportunity of extending to that country the system of examination of army schools which now obtains in Great Britain, the provisions of G. O. 100, of 1869, will henceforth be made applicable to Ireland, and superintending schoolmasters there will in future be charged with the examination of the schools in their respective districts, viz.:—

DUBLIN.—Belfast, Newry, Dundalk.
CURRAGH.—Newbridge, Birr, Athlone, Longford, Castlebar, Kilkenny.
CORK.—Ballincollig, Waterford, Fermoy, Kinsale, Buttevant, Limerick, Cahir.

By command,
W. PAULET, *Adj. Gen.*

PENSIONS COMMUTATION ACT, 1869.

1. Any officer or other person under the Secretary of State for War desirous of commuting his half pay, retired pay, compensation allowance, superannuation or retirement allowance, under the Commutation Act of 1869, must make application in writing to the Under Secretary of State, War Office, stating his desire so to commute, and furnishing information as to his age, rank and the amount of his half pay, retired pay or other allowance.

2. If the Secretary of State shall think proper to recommend the commutation under the 4th clause of the 4th section of the Act, the officer will be so informed by that department, and his application will be forwarded to the Commutation Board for consideration.

3. The officer will then receive further instructions from that board.

4. The Commutation Board will require the Officer to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the office of the board of the National Debt Office, 19, Old Jewry, in the city of London.

5. The basis of the commutation will be the following table, subject to an addition of years of age in the case of impaired lives, and to a deduction of years of age as an equivalent for the right to prospective increase of half pay, retired pay, or other allowance, if such right shall exist:—

The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £3 : 3*s.* within thirty days after receiving that notice.

7. If the applicant shall not withdraw his application, and pay the above fee within that period, the decision will be considered final, and the commutation of pension will take place absolutely.

REGULATIONS for Naval and Military Officers who wish to become Settlers in the Colonies.

THE only colonies which now offer land privileges to Naval and Military Officers are British Columbia, Newfoundland, Natal, Ceylon and Western Australia.

The officers to whom such privileges are offered are—(*a*) Naval Officers of the Military Branch of all grades not lower than that of Sub-Lieutenants; (*b*) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (*c*) Regimental Staff Officers; and (*d*) Medical Officers of both Services of not less than five years' standing.

The officers not entitled to land privileges are—Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and lastly, Officers who have ceased for the space of three calendar months to belong to her Majesty's service; and have not obtained the memorandum of rank and service hereinafter mentioned.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase-money. In the four other above-named colonies, land must be purchased under the land regulations for the time being in force in the colony, and a certain amount of

the purchase-money is then remitted. These allowances are regulated by the rank and length of service of the officer, as shown in the following scales:—

In British Columbia.	Acres.
Field Officers of 25 years' service, in the whole ...	... 600
Field Officers of 20 years' service, in the whole ...	... 500
Field Officers of 15 years' service, in the whole ...	... 400
Captains of 20 years' service and upwards, in the whole	... 400
Captains of 15 years' service or less, in the whole ...	... 300
Subalterns of 20 years' service and upwards, in the whole	... 300
Subalterns of 7 years' service and upwards, in the whole	... 200

In Newfoundland, Natal, Ceylon and Western Australia.	
Field Officers of 25 years' service and upwards, in the whole	... £600
Field Officers of 20 years' service and upwards, in the whole	... 500
Field Officers of 15 or less years' service, in the whole	... 400
Captains of 20 years' service and upwards, in the whole	... 400
Captains of 15 years' service or less, in the whole ...	... 300
Subalterns of 20 years' service and upwards, in the whole	... 300
Subalterns of 7 years' service and upwards, in the whole	... 200

Although these scales refer only to military officers, they apply also to naval officers, who will receive allowances corresponding with their relative rank to officers in the Army, as prescribed in her Majesty's Order in Council of 11th June, 1863.

Any officer desirous of availing himself of these privileges must obtain a memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the office of the General Commanding-in-Chief, specifying his rank, length of service and date of retirement. This document will not be issued more than once to the same officer, and it must, within one year from the date of the officer's retirement, be presented to the governor of one of the above-named colonies, otherwise the officer will not be entitled to any land privileges in the colony.

No document from the office of the Secretary of State is necessary.

As the sole object of the regulations is to encourage the *bonâ fide* settlement of naval and military officers in the colony, an officer, on presentation of his memorandum of rank and service to the governor, will receive in the first instance a location ticket only for the land which in British Columbia he may obtain, or which in either of the four other colonies he may have purchased to the extent of his remission money.

At the expiration of two years from the date of such location ticket, the officer will receive in exchange for it a crown grant, provided he can show to the satisfaction of the governor, but not otherwise, that he is a *bonâ fide* settler in the colony, and had not only continuously resided therein since the receipt of his location ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the governor may have prescribed in any general notice published by his authority in the Government Gazette of the colony.

If application should not be made for a crown grant in exchange for the location ticket within a twelvemonth from the expiration of the two years for which it was issued, the officer's claim will be considered as extinguished, and the land will absolutely revert to the crown. No transfer of the land will be allowed or be valid until a crown grant thereof has been obtained.

But if an officer has obtained a memorandum of rank and service and dies before he can obtain a location ticket, the governor of the colony is authorized to make the memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an officer dies after the location ticket has been obtained, the land to which it refers will be granted to his legal representative.

As the land regulations in the above-named colonies are liable at any time to be altered, her Majesty's Government cannot guarantee the permanence of these regulations, nor can the amount of remission in purchase-money made to officers be increased on account of any increased value which may at any time be set up upon the crown lands in the colony.

SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared.

By Order of the said Principal Secretary,
EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Dated the 30th day of April, 1870.

Regulations respecting Foreign Orders.

1. No subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069
17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast.*

REGULATIONS RESPECTING

FOREIGN MEDALS.

148
533

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 31st day of July, 1870.

By Order of the said Principal Secretary,
EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

PENSIONS COMMUTATION ACT, 1869.

1. Any officer or other person under the Secretary of State for War desirous of commuting his half pay, retired pay, compensation allowance, superannuation or retirement allowance, under the Commutation Act of 1869, must make application in writing to the Under Secretary of State, War Office, stating his desire so to commute, and furnishing information as to his age, rank and the amount of his half pay, retired pay or other allowance.

2. If the Secretary of State shall think proper to recommend the commutation under the 4th clause of the 4th section of the Act, the officer will be so informed by that department, and his application will be forwarded to the Commutation Board for consideration.

3. The officer will then receive further instructions from that board.

4. The Commutation Board will require the Officer to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the office of the board of the National Debt Office, 19, Old Jewry, in the city of London.

5. The basis of the commutation will be the following table, subject to an addition of years of age in the case of impaired lives, and to a deduction of years of age as an equivalent for the right to prospective increase of half pay, retired pay, or other allowance, if such right shall exist:—

If the Treasury accede to the application to commute, the amount of money to be paid in commutation of the half pay, retired pay, or other allowance, will be fixed by the Treasury on the recommendation of the Commutation Board. The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £3: 3*s.* within thirty days after receiving that notice.

REGULATIONS for Naval and Military Officers who wish to become Settlers in the Colonies.

THE only colonies which now offer land privileges to Naval and Military Officers are British Columbia, Newfoundland, Natal, Ceylon and Western Australia.

The officers to whom such privileges are offered are—(*a*) Naval Officers of the Military Branch of all grades not lower than that of Sub-Lieutenants; (*b*) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (*c*) Permanent Staff Officers; and (*d*) Medical Officers of both Services of not less than five years' standing.

The officers not entitled to land privileges are—Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and lastly, Officers who have ceased for the space of three calendar months to belong to her Majesty's service and have not obtained the memorandum of rank and service hereinafter mentioned.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase-money. In the four other above-named colonies, land must be purchased under the land regulations for the time being in force in the colony, and a certain amount of

the purchase-money is then remitted. These allowances are regulated by the rank and length of service of the officer, as shown in the following scales:—

In British Columbia.

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 years' service, in the whole	500
Field Officers of 15 years' service, in the whole	400
Captains of 20 years' service and upwards, in the whole ...	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole ...	300
Subalterns of 7 years' service and upwards, in the whole ...	200

In Newfoundland, Natal, Ceylon and Western Australia.

Field Officers of 25 years' service and upwards, in the whole ...	£600
Field Officers of 20 years' service and upwards, in the whole ...	500
Field Officers of 15 or less years' service, in the whole ...	400
Captains of 20 years' service and upwards, in the whole ...	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole ...	300
Subalterns of 7 years' service and upwards, in the whole ...	200

Although these scales refer only to military officers, they apply also to naval officers, who will receive allowances corresponding with their relative rank to officers in the Army, as prescribed in her Majesty's Order in Council of 11th June, 1863.

Any officer desirous of availing himself of these privileges must obtain a memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the office of the General Commanding-in-Chief, specifying his rank, length of service and date of retirement. This document will not be issued more than once to the same officer, and it must, within one year from the date of the officer's retirement, be presented to the governor of one of the above-named colonies, otherwise the officer will not be entitled to any land privileges in the colony.

No document from the office of the Secretary of State is necessary.

As the sole object of the regulations is to encourage the *bonâ fide* settlement of naval and military officers in the colony, an officer, on presentation of his memorandum of rank and service to the governor, will receive in the first instance a location ticket only for the land which in British Columbia he may obtain, or which in either of the four other colonies he may have purchased to the extent of his remission money.

At the expiration of two years from the date of such location ticket, the officer will receive in exchange for it a crown grant, provided he can show to the satisfaction of the governor, but not otherwise, that he is a *bonâ fide* settler in the colony, and had not only continuously resided therein since the receipt of his location ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the governor may have prescribed in any general notice published by his authority in the Government Gazette of the colony.

If application should not be made for a crown grant in exchange for the location ticket within a twelvemonth from the expiration of the two years for which it was issued, the officer's claim will be considered as extinguished, and the land will absolutely revert to the crown. No transfer of the land will be allowed or be valid until a crown grant thereof has been obtained.

But if an officer has obtained a memorandum of rank and service and dies before he can obtain a location ticket, the governor of the colony is authorized to make the memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an officer dies after the location ticket has been obtained, the land to which it refers will be granted to his legal representative.

As the land regulations in the above-named colonies are liable at any time to be altered, her Majesty's Government cannot guarantee the permanence of these regulations, nor can the amount of remission in purchase-money made to officers be increased on account of any increased value which may at any time be set up upon the crown lands in the colony.

EDWARD CARDWELL.

Cl. 137.—Pay of Regimental Officers.

1. With a view to prevent any erroneous issues of pay to officers who draw their pay through regimental agents, the commanding officer will be responsible for communicating to the paymaster of the regiment, without delay, the fact of the death of an officer, or of any absence without leave, which may occur between the interval of monthly musters.

2. The paymaster will then be responsible for notifying to the regimental agents the date from which the issue of pay is liable to cease or to be suspended in accordance with the regulations.

3. This rule will be equally applicable whether the officer whose pay is affected is serving abroad, or in the United Kingdom, or on leave from a foreign station. In the latter case the date to which leave has been granted will be notified by the paymaster to the agent, who will not be at liberty to issue pay beyond the termination of such leave, unless the officer has proceeded in due course to rejoin his corps, or unless an extension of leave be granted by competent authority.

4. If a regimental officer is detached from his corps on staff or departmental duty, a similar notification will be addressed, under like circumstances, by the local chief officer of the staff or department to the accountant from whom the officer ordinarily draws his pay.

Cl. 138.—Pay and Promotion of Officers of the Control Department.

1. Officers, the pay of whose rank in their former departments exceeded that to which they are entitled under the Control Warrant, may continue to receive the rates of ordinary pay and increased pay for length of service granted for such rank by prior Warrants.

2. Officers will forward a letter in duplicate stating whether they elect to draw the pay of their rank in the Control Department, or that of which they have previously been in receipt, and it must be understood that when an officer has once elected to draw pay under the terms of the Control Warrant, he will not be allowed the option of reverting to his former warrant either for pay or retired pay.

3. Officers who have received for 5 years a rate of pay (exclusive of charge pay), under former warrants, equal or superior to the minimum attached to the rank in the Control Department to which they belong, or may hereafter be promoted, will be allowed to receive the higher rate of pay assigned to that rank. If they have been in receipt of an equal or superior rate of pay for a period less than five years, they will be permitted to count that period towards attaining the increased pay of their rank in the Control Department.

4. The officers of the late Commissariat and Barrack Departments, borne as supernumeraries to the ranks of commissary and deputy commissary, will receive the rates of pay sanctioned by the Warrants of those departments, for the ranks of assistant commissary general, deputy assistant commissary general, or barrack master of the second class respectively, until they are absorbed in the numbers of the authorized establishment.

5. Officers who on the 12th November last were in receipt of charge pay under the Warrants for the late departments, may, at the discretion of the Secretary of State, continue to receive such charge pay for a period not exceeding five years from that date, unless in the meantime they become entitled, under the provisions of the Control Warrant, to receive a rate of pay, or of pay and charge pay combined, equal to the pay and charge pay granted by former Warrants. This concession being made to officers only to provide for the continuance of the emolument they were in receipt of under their former Warrants, it is to be understood that in the case of an officer receiving an increase of pay, or of pay and charge pay combined, under the Control Warrant, a corresponding decrease must be made in the special grant of charge pay.

6. Officers who, by their appointment to act as controllers on probation previous to the issue of the Control Warrant, forfeited charge pay, will be allowed to draw the same charge pay up to the date of the Warrant.

ARMY CIRCULARS—*continued.*

7. The local rank attached to district barrack masters under the Pay Warrant will at once cease, but charge pay will be continued as provided for in paragraph 5.

8. In the cases of those officers of the late Barrack Department who are supernumerary to the Control Department, or may elect to draw pay under their former Warrant, a deduction will be made for the servants' allowance to which they may now become entitled by receiving commissions.

9. In the letter which each officer will forward, agreeably to paragraph 2, he will be careful to state fully the pay and charge pay he has hitherto received, and an order will, after examination of his claim, be sent to him stating the rates which he is authorized to receive.

PROMOTION OF OFFICERS OF THE SUB-DEPARTMENTS.

10. Officers of the Supply Sub-department will for purposes of promotion be borne on one of the following lists:—

I. On four separate cadres, showing the officers belonging to the fixed establishments of the Commissariat, Military Store, Purveyor, and Barrack Departments respectively, on the 12th February, 1870.

II. On a general list, which will contain officers other than the above, as well as all officers appointed to the Supply Sub-department after 12th February, 1870.

11. The steps of promotion will go in the separate cadre in which the vacancy may occur, and those cadres will be maintained until the whole of the officers of the late departments have reached the rank of commissary.

12. The promotions from the general list in each rank will commence as soon as all the officers of the same rank now borne on the separate cadres have been promoted or become non-effective.*

13. In the case of those cadres in which officers are borne as supernumerary to the establishment, the supernumerary officers will be absorbed as follows:—

I. In the rank of Deputy Commissary every vacancy will be absorbed until the numbers reach the normal establishment.

II. In the rank of Commissary, such absorption will commence as soon as all the officers of the rank of Deputy Commissary borne on that cadre have received a step of promotion.

14. In the Paymasters' Sub-department, the promotion will proceed according to the ordinary rules of the Service.

15. A list of the officers of the Supply and Pay Sub-departments was published in the "London Gazette" of 12th August, 1870. The Commissaries will be shown in their separate cadres, according to the foregoing rules, in the "Army List" for September. The establishment of the upper ranks in the cadres of the late Military Store and Barrack Departments will be completed when the retirement of certain officers of those Departments has been carried out.

Cl. 139.—Pay of Clerks in Artillery District Offices.

The whole of the pay of the permanent military clerks, and the staff pay of the temporary clerks, employed in Royal Artillery district offices, will, from the 1st October next, be issued by the control paymaster of the district. The regimental pay of temporary clerks will be issued by the paymaster of the brigade to which the man belongs.

Cl. 140.—Pay of Staff and Quartermaster-Serjeants of Pension Districts.

1. The pay of pensioned non-commissioned officers holding the appointments of staff and quartermaster-serjeants of pension districts has been fixed at the following rates:—

Staff serjeants—

1st class	... ...	36*l.*, on appointment.
„	... ...	42*l.*, after 5 years' service.
„	... ...	48*l.*, „ 10 „
2nd class	... ...	30*l.*, on appointment.
„	... ...	36*l.*, after 5 years' service.

2. The quartermaster-serjeants are entitled to the same rate of pay as 2nd class staff serjeants.

* Those lieutenants of the Military Train who are borne as assistant commissaries in the general list, will, under the conditions on which they joined the department, succeed, for the first step, to vacancies occurring among officers in the ranks above who formerly belonged to the Military Train, unless they have previously received promotion in ordinary course on the general list.

ARMY CIRCULARS—*continued.*

3. Staff and quartermaster-serjeants are entitled to quarters, fuel and light, or to the regulated allowance in lieu thereof.

4. These rates may be drawn from 1st April, 1870; but any special allowances at present received by any of these non-commissioned officers, on account of mercantile marine payments, will merge in the new rates of pay.

Cl. 141.—Working Pay, Painting Ordnance, Shot and Shell.

1. The payment for painting the exterior and interior of ordnance, will be regulated by the number of *exterior* coats given, at the rates specified under that head in the Appendix to Clause 81, Army Circulars, 1868. Whether the exterior of a gun has one or two coats, the bore will only have one coat.

2. The payment laid down for the painting of shot and shell, will be made according to the number of coats of paint given, and will include repiling.

Cl. 142.—Working Pay Lists.

1. Charges for working pay will for the future be made on the revised Pay List (W. O. Form 1194), a copy of which is given in the Appendix. On this form the numbers receiving each rate of working pay (officers and non-commissioned officers superintending being shown separately), the duty on which they were employed, and the authority for the work performed, will be given.

2. The certificate that the number of officers, non-commissioned officers and men, for whom working pay is charged, were actually and necessarily employed during the time stated, that the duty has been properly performed, and that the amount of the Pay List is properly chargeable to the public, will be signed by the departmental officer in charge of the work.

3. The Pay Lists, which will be prepared in duplicate by the departmental officer in charge of the work, may be made up monthly. They will be totalled weekly, certified by the head of the department concerned, and sent to the local accountant, whose duty it will be to pay the amount thereof, provided the Pay Lists are in proper form.

4. The accountant will from week to week retain one copy of the Pay List as a check.

5. Working pay should be issued to the soldiers forming the working parties as soon as possible after it has been earned, and always before the soldiers quit the station at which the work has been performed by them.

6. In no case should payment be deferred beyond the week following that in which the work is performed.

Cl. 143.—Warrants for Conveyance Coastwise at Home.

1. Instances having occurred of discharged soldiers having been left destitute in London, owing to steamship companies on which they had received warrants refusing to embark them, paymasters will be careful before issuing passage warrants to ascertain that the companies on which they are granted will embark soldiers under such orders.

2. In cases of doubt paymasters will communicate with the companies concerned, or will apply for information to the paymaster of the London district.

Cl. 144.—Extra Forage—Army Service Corps and Royal Engineer Train.

1. The allowance of extra forage for horses of the Army Service Corps and Royal Engineer Train, and for other horses employed on draught work, will in future be limited to an issue of 2lb. of oats per diem for each horse, in addition to the ordinary ration of forage.

2. This extra issue will be made throughout the year for horses of the Army Service Corps drawing commissariat wagons at a trot; and during the winter months only for all other draught horses when employed on draught work for a minimum period of five hours per diem, exclusive of time occupied in feeding. It will not be allowed for horses employed either at practice drills or at parades for experimental purposes of instruction.

3. Certificates that horses have been employed under the above specified conditions will be furnished on W. O. Form, 41, by officers commanding corps for which the extra forage is issued.

4. War Office Circular 378, of 25th January, 1859, is hereby cancelled.

Cl. 145.—Ration Allowances to Soldiers' Wives and Families.

The following articles will be substituted for paragraphs 32 to 34 of Clause 50, Army Circulars, 1867, which are hereby cancelled:—

32. At home stations the following daily ration allowances will be issued to families

ARMY CIRCULARS—*continued.*

on the married roll, when the troops are compulsorily and necessarily separated from them on duty, and not in receipt of working pay, or of a special allowance, and not filling a beneficial appointment:—

To each wife in lieu of a half ration ... ... 3*d.*

To each child under 14 years of age, in lieu of a quarter ration ... 1½*d.*

Such ration allowances will not be issued to the families of lunatic soldiers.

33. The allowances granted by Art. 32 will not be issued unless the period of separation exceeds four days. When the period exceeds this limit, the issue will be made, but only from the fifth day inclusive.

34. The vouchers for the allowances will be prepared at the regiment on W. O. Form 772, and will be approved by the district controller before payment. The allowances when paid will be charged in the regimental accounts, without previous reference to the Quartermaster-General or the War Office. In each case an explanation must be given of the reasons for the separation in consequence of which the allowances are claimed. When claimed for the period of a march, the certificate of an officer of the Quartermaster-General's department, that the separation was necessary on military grounds, will be required to be annexed to the claim.

Cl. 146.—Mode of Rendering Accounts by Control Paymasters.

1. At Home Stations, after the 1st October next, Control Paymasters will forward their accounts in a classified state, upon W. O. Form 1397, supporting each entry therein by a separate abstract of vouchers on W. O. Form 1381.

2. Amended copies of these forms are enclosed, and a further supply can be obtained in the usual way.

Cl. 147.—Payment of Claims by Control Paymasters at Home.

1. From the 1st October next claims for all services in Great Britain exceeding 100*l.* in amount, which have hitherto been paid direct by Control Paymasters, will, with the exceptions stated in paragraph 3, be forwarded to the War Office for examination and settlement.

2. Such claims for services performed in Ireland will be sent to the Controller at Dublin, and, after preliminary examination by him, will be paid by the Control Paymaster, and included in the monthly accounts rendered to the War Office.

3. The claims which will be exceptionally treated are those for pay and allowances, which will in all cases be locally paid, and those for rates and taxes and travelling expenses, which will invariably be sent to the War Office for adjustment.

Cl. 148.—Credits for Damages, &c.

The exceptional method of crediting damages by means of the regimental paymaster's accounts, as provided in paragraph 12, clause 74, Army Circulars, 1870, will only be observed in the case of marching-out inspections of regiments leaving a station *for foreign service.*

STORES.

Cl. 149.—Issues of Stores.

Adverting to paragraphs 75, 76, and 77 of the Control Regulations, dated 13th July, 1870, the following additional rules will be observed, on the occasion of the local supply of stores to any branch of the service.

1. All requisitions for stores will be made on the Controller in duplicate on the forms now in use.

2. Whenever stores are supplied in lieu of unserviceable articles the number of the latter to be received into store will be shown on the requisition.

3. If the requisition be correct the Controller will record his approval on the original copy, which he will pass to the Commissary who is to make the supply.

4. At the same time the Controller will send the duplicate to the Controller, Royal Arsenal, Woolwich, for the information of the Surveyor-General of the Ordnance.

5. Reports of Issue (W. O. Form 1222) and reports of receipt (W. O. Form 1221) will no longer be required for Army service. Issues to the Navy will still be reported on Form 1222.

Cl. 150.—Shipments of Powder and Ammunition.

1. The provisions of clause 99, Army Circulars for July, 1870, are extended to shipments of powder and ammunition from home, the magazines being erected under the

ARMY CIRCULARS—*continued.*

superintendence of the Control Department by the owners of the vessels; they are, therefore, no longer the property of the War Department.

2. In all outstanding shipments, should the materials for the magazines be shown in the bill of lading, they will be received as usual.

Cl. 151.—Articles for Fencing and Gymnastic purposes.

1. The revised scale of issues of stores for fencing and gymnastic purposes, printed in the Appendix, will be substituted for that given in Appendix to Clause 93, Army Circulars 1868.

2. The annual supply of stores will be made only in a proportion to replace articles actually unserviceable; the requisitions for such supplies will, therefore, show in detail the numbers of the articles in possession serviceable and unserviceable.

3. The unserviceable articles will be disposed of in the same manner as other unserviceable barrack stores.

Cl. 152.—School Materials.

1. Demands for school materials for corps at Foreign Stations will be made annually for the year ending 31st March, on W. O. Form 372, and transmitted to the War Office through the senior officer of the Control Department at the station. They will be collected and posted by him in time to ensure their arrival on or before the undermentioned dates, viz.:—

From China and Japan	1st September.
„ Australia and New Zealand	
„ Ceylon and Straits Settlements ...	1st October.
„ Mauritius	
„ Cape of Good Hope	1st November.

2. Requisitions for corps at Home Stations will be made half-yearly for the periods ending 31st of March and 30th of September, and will be transmitted through the Controller at least one month before the commencement of the half-year for which supplies are required.

3. School materials for military prisoners will be demanded annually on W. O. Form 265 for the year ending 31st of March; the requisitions from foreign stations will be transmitted on the dates above stated, and those from Home Stations on the 1st of February.

Cl. 153.—Charge of School Property.

1. The articles of school property shown in the margin, together with the materials for use in illustrating lectures, will in future be demanded by Controllers, who will cause them to be taken on charge and included in barrack store returns and accounts.

2. The issue of the articles will be made on the requisition of officers commanding regiments or corps, and will be included in the usual inventories.

3. Any deficiencies discovered at inspections will be at once made good and charged to the troops.

4. Requisitions for the supply of materials for illustrating lectures will be made upon and will be forwarded annually by Controllers in duplicate to the War Office for consideration, it being stated on the requisition what portion, if any, of the required supply is available on the spot.

5. After examination at the War Office, the requisitions, if for home service, will be returned to the Controller.

6. If for Foreign Service, the requisition will be returned to the station, and the duplicate to the Controller, Royal Arsenal, as his authority to supply such stores as cannot be locally obtained.

7. The prices at which the articles can be purchased locally are to be shown on the requisition.

8. Unserviceable or worn out articles will be given into store on receipt of articles to replace them, in the same way as all other stores.

9. Chimneys for lamps will only be renewed at the public expense when worn out or broken by fair usage.

In each of these subjects, 200 will be deducted from the total number of marks gained by a candidate, and the remainder only allowed to count.

An aggregate of 3,000 marks in the obligatory and voluntary subjects taken together will be required from every candidate as a condition of qualification.

Officers in their applications should state the *voluntary* subjects they wish to take up; and also the foreign language in which they desire to be examined, as an *obligatory* subject.

Candidates who have obtained commissions from Woolwich, or without purchase, by passing out on List A from the Royal Military College, Sandhurst, will not be required to pass a qualifying examination.

The first examination of officers who may be nominated to fill vacancies in the Control sub-departments will take place on the 1st of September, 1870.

G.O. 77.—Establishments.

The establishment of infantry regiments at present serving at Malta and Gibraltar having been increased to 650 rank and file, as notified in special Army Circular of 24th August, 1870, his Royal Highness the Field Marshal Commanding in Chief has approved of their being divided into service and depôt companies as follows, viz.:—

Soldiers, escorts, or parties necessarily detained in London on duty will not be billeted, but will be accommodated in Wellington Barracks, St. James's Park.

GEN. ORDERS—*continued.*

G.O. 80.—Musketry.

The last quarterly general report of the Inspector General of Musketry has brought to notice so many errors in the returns and registers, as well as unexplained omissions of the prescribed position drills and extra judging distance practice, together with numerous other irregularities in the present year's course of rifle instruction—that it becomes necessary to call the particular attention of general officers commanding districts and stations to the directions contained in the General Order prefixed to the last edition of the Musketry Regulations, and to G. O. 8 of 1868, which is accordingly reprinted in appendix B. When any deviation from regulation is brought to notice, the general officer commanding will have the goodness to enable the district inspector, in his next report, to inform the Inspector General of the steps taken in the matter locally, so that the irregularity and its correction may both together be made known to the Field Marshal Commanding-in-Chief.

G.O. 81.—National Rifle Association—Army Prizes.

The annexed list (Appendix C) of the winners of prizes granted by the National Rifle Association, to be competed for by soldiers, is published with reference to G. O. 61 of 1870, specially issued on the 16th June last.

G.O. 82.—Recruiting.

With reference to the 6th clause of the Army Enlistment Act, 1870, recruits who have been attached to a regiment for fifteen months, will be considered as belonging thereto without further notification.

Similarly, men who have embarked for foreign service, with, or to join, a regiment, will belong to such regiment from the date of their embarkation.

G.O. 83.—Returns.

Much inconvenience being caused by the delay which frequently occurs in the rendering of *monthly returns* of regiments and depôts, His Royal Highness the Field Marshal Commanding-in-Chief desires that these returns may be invariably transmitted on the *1st of each month*, according to the instructions laid down at paragraphs 1479 and 1484 of the "Queen's Regulations and Orders for the Army."

G.O. 84.—Reports of Arrival.

Considerable expense and inconvenience having been caused by officers, arriving from foreign stations, reporting their arrival *in person* at the Horse Guards, attention is directed to paragraph 1315 of "The Queen's Regulations and Orders for the Army," which directs that all officers, except general and regimental field officers, are to report their arrival *in writing*.

By command,
W. PAULET, *Adj. Gen.*

GEN. ORDERS—*continued.*

APPENDIX B. TO G.O. 80.

G.O. 8 of 1868.—Musketry.

The Field Marshal Commanding in Chief regrets to find, notwithstanding the repeated orders which have been issued on the subject, that the prescribed extra position drills and judging distance practices are still frequently omitted. He therefore desires that the number of times these drills and practices are performed during each month be inserted in the musketry diaries, and noticed in the district inspector's reports, and that when they have been omitted, the cause of such omission may be fully explained.

His Royal Highness further observes, by the last quarterly report of the Inspector General of Musketry, that the platoon practices do not receive that attention which their importance demands, and that the results, as shown by the diaries and Inspector's returns, are comparatively indifferent, and frequently bad, particularly in the "independent firing."

It is manifest that no efforts on the part of the musketry instructor, alone, can suffice to remedy these defects,—and that little improvement can be expected, unless more energetic measures are adopted by commanding officers on their private parades, by systematic and careful execution of the platoon exercise and position drill,—by attention to the mode of delivering the word of command, when blank firing is going on,—and by the field officers, when visiting the parties at drill and practice, enforcing the strictest attention to duty on the part of officers in charge of squads.

His Royal Highness trusts that general officers will take care that the periodical reports of their district inspectors are carefully examined, month by month, and that all irregularities and defects therein noticed are immediately corrected.

He reminds all concerned of the directions contained in the several documents quoted in the margin,* and he hopes to be spared the necessity of issuing further orders on the subjects therein alluded to.

Recruiting.

THE ARMY ENLISTMENT ACT, 1870.

HER MAJESTY'S SERVICE AND ITS ADVANTAGES.

By the "Army Enlistment Act, 1870," a recruit has the choice of enlisting either for long or short service in the Regular Army.

1st.—LONG SERVICE.

He may enlist for *twelve* years in the Regular Army, at the end of which, if he has conducted himself well and is allowed by his commanding officer, he may re-engage for *nine* years more to complete a service of *twenty-one* years.

On his discharge, after completing the *twenty-one years*, he will receive a *pension for life.*

2nd.—SHORT SERVICE.

He may enlist for *six* years in the Regular Army, and *six* years in the First Class Reserve.

After the first six years are passed he will be able to return to civil life, to live wherever he likes within the United Kingdom, and to follow any trade or occupation he pleases.

During the last *six* years he will receive the pay of *fourpence* (*4d.*) a day, in return for which he will be liable to be drilled occasionally, but the Act of Parliament provides that the times shall be so arranged as to interfere as little as possible with his ordinary trade or occupation. He will also be liable, in case of *imminent national danger or of great emergency*, to be recalled to service with that branch of the Regular Army in which he has previously served.

If during the second six years an emergency occurs, and he is recalled to the service, he will receive the full daily pay of a soldier, and his reserve service will reckon towards good conduct pay, just as if he had served continuously in the Army, and, if at the end of his limited engagement he re-engage, his reserve service will count year for year towards pension on discharge.

Whilst serving, the soldier is lodged and to a great extent clothed at the public expense; he gets better and cheaper food than he could in civil life; and when ill he has the best medical treatment. From the beginning of his service he may, with care, have *three shillings a week* to spend after paying all expenses, and he can, by good conduct, gain an increase to his pay of—

1d.	a day	after	two	years'	service.
2d.	„	„	six	„	„
3d.	„	„	twelve	„	„
4d.	„	„	eighteen	„	„
5d.	„	„	twenty-three	„	„
6d.	„	„	twenty-eight	„	„

A well-educated and deserving soldier has every prospect of promotion, which gives him a further increase to his pay.

The soldier has the advantage of a savings bank, and the use of a library and recreation room, and, in most places, other means of amusement. In many stations he has time and opportunities given him of learning a trade, whereby he may earn additional pay whilst in the Army, and be the better prepared for gaining his livelihood when he leaves the service.

The usual periods of serving abroad are so arranged that the soldier has a fair proportion of home as well as of foreign service.

If the soldier be wounded in action, or in any way maimed in the performance of his military duties, he becomes entitled to a pension.

The deserving soldier on his discharge is well fitted, from his regular habits, for many situations—such as those in the police, on the railroads, or other employments in civil life—and a good character on discharge from the service gives him the best testimonial for such employment.

There are few callings in civil life open to unskilled labour which promise to a steady and deserving young man such advantages as are offered to the good and meritorious soldier in Her Majesty's Service.

Horse Guards, 12th Aug. 1870. WM. PAULET, *Adj. Gen.*
